Top Barn Centre Activity Day Year 5

Friday 10th September 2010

2nd September 2010

Dear Parents,

We hope that all the children in Year 5 will be able to take part in an 'Activity Day' on the 10th of September at Top Barn Activity Centre, near Worcester. The day provides an ideal opportunity for team building, enabling those new to the school to get to know both one another and those who have been with us longer. I can think of many lasting friendships that began on such occasions. They will be working in groups tackling raft building, low ropes, archery and additional land based team building activities. Transport to the centre and back will be by coach and school minibus leaving at 9:00am and **returning to School at 4:45pm**. School will provide a packed lunch for those who normally have a school meal; children who normally bring a packed lunch from home should also do so on this occasion. All should also bring a snack and a drink from home.

The activities will take place whatever the weather so the children need to be fully prepared. They should come to school wearing their school PE kit and tracksuit and with their fleece and cagoule. Because some of the activities take place on water there is a good chance that they may get wet. Please make sure that your child has a towel and a change of clothing and footwear (similar to their PE kit) carried in their named games bag.

We very much hope that you will agree to your child participating in this 'Activity Day'. There will be a charge of £25 towards the centre costs and transport.

Yours sincerely,

William Toleman, David Braithwaite & Alex Hind
