Early Help for Children and Families

King's School, Worcester

(including King's Hawford and King's St. Alban's)

EARLY HELP OFFER

At King's School we recognise the challenges that families face in bringing up children. There may be times when you need extra help and support. If this is the case, please come and talk to us. There are many ways in which we can help as outlined in this offer of early help.

The diagram below shows the range of needs at different levels. We use this graduated approach to make sure we provide the best support for different families' individual situations.

Providing early help to our pupils and families at King's School means we are more effective in promoting support as soon as we can. Early help means providing support as soon as a problem emerges, at any point in a child's life, from the foundation years through to teenage years.

Key Personnel:

At the King's Senior School, our Pastoral and Safeguarding team includes:

Sophie Toland – Assistant Head (Pastoral) – Designated Safeguarding Lead (DSL)

All staff have completed PREVENT training.

Child Sexual Exploitation

All staff have been trained to identify early cases of child sexual exploitation. At King's School we use the CSE Screening tool if we have concerns.

Female Genital Mutilation

All staff have received training on FGM. Teachers know how to identify if a child may be at risk. They know the signs to look for and most importantly how to refer, following the school's safeguarding procedures.

We meet the needs of our children through a variety of ways:

Pupil Voice – pupils are actively encouraged to speak about any concerns they have to a member of staff or to our pastoral team. Children are encouraged to speak openly about their emotions. Pupils know the staff take all their concerns very seriously. At King's Senior School there are School, Year Group and House councils and a Peer Support Scheme.

At King's Hawford pupils are encouraged to approach any member of staff with any concerns they may have. There is School Council at which concerns may be raised, as well as Eco and Food Committees.

At King's St Alban's pupils are encouraged to speak to their form teacher, one of our matrons, the school secretary or other adult if they have a concern. Children are encouraged to speak openly about their emotions. Pupils know the staff take all their concerns very seriously

At King's Hawford Form staff, office staff and the DSL monitor attendance, late arrivals in line with our attendance policy.

At King's St Alban's Form staff, office staff and the DSL monitor attendance, late arrivals in line with our attendance policy.

- Child protection files are kept by the DSL.
- All new staff complete safeguarding inductions.
- We have a log recording that all staff have read and understood relevant sections of Keeping Children Safe in Education (Sep 2019).

Pastoral Support

At King's Senior School Jon Ricketts and Sophie Toland work with pupils and families to support their needs whilst also signposting them to relevant agencies. With the consent of families, we can refer families for further family support.

At King's Hawford Jim Turner, Laura Baxter and Caroline Knight undertake these tasks.

At King's St Alban's, Richard Chapman, Rachel Duke and Katy Hadfield undertake these tasks.

Learning Skills and Learning Support

Joanna Lucas works with children and families with additional needs and can signpost parents to many different agencies.

Vicki English, SENCo at King's Hawford, liaises with external agencies in this respect.

Rebecca Cleugh, SENCo at King's St Alban's, liaises with external agencies in this respect.

Designated Safeguarding Lead (DSL)

The DSL and DDSL in all three schools ensure rigorous and robust systems are in place within the school to ensure the safety of all of our children.

In **Keeping Children Safe in Education 2019** it makes it clear that ALL staff should be aware of their local early help process and understand their role in it. In addition, this statutory document makes it clear that any child may benefit from early help, but all school and college staff should be particularly alert to the potential need for early help for a child who:

- Is disabled and has specific additional needs;
- Has special educational needs (whether or not they have a statutory education, health care plan);
- Is a young carer;
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- Is frequently missing/goes missing from care or from home;
- Is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- Is in a family circumstance present challenges for the child; such as substance abuse, adult mental health problems or domestic abuse;
- Has returned home to their family from care;
- Is showing early signs of abuse and/or neglect;
- Is at risk of being radicalised or exploited;
- Is a privately fostered child.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school or PRU.

The coordinated King's School offer of Early Help is outlined in the table below. We believe that early interventions for children or families, in many cases, will prevent children from experiencing harm.

All King's School staff must be aware of the KSW offer of early help. At all times, staff should consider if there is any offer of early help that we can make in order to help a child thrive.

We also liaise with other agencies and people within the local community. In the table below are some National organisations that can support children, young people and their families

<p>What is our Early Help Offer?</p>	<p>What is Early Help?</p> <p>Early Help means providing support as soon as a problem appears, to stop it from getting worse. This could be at any point in a child's life, from birth to the teenage years.</p> <p>Anyone can provide early help – you don't need to be an expert professional. Early help is not about passing the issue on to an expert, but thinking about what is the best support you can offer.</p> <p>We can provide effective support by:</p> <ul style="list-style-type: none"> • listening • working with other people who could help • finding out about specialist agencies who could help • filling out an Early Help Assessment with the person we are helping <p>http://www.worcestershire.gov.uk/eha</p> <p>There is a lot of information and advice on the Advice, Care, Health and Support pages as well as detail of local services that can provide support for children, young people and families.</p>

Between us we have years of experience in educating children of all ages and are able to organise and put on a range of activities.</p> <p>We hold meetings usually at least weekly, throughout term time at various locations round the county-for example:</p> <ul style="list-style-type: none"> - <i>Social gatherings occur monthly in North Worcestershire for all ages, with both indoor and outdoor games plus organised activities such as climbing/zip-wires/grass sledging for 8+.</i> - <i>Monthly meeting in Worcester with games, music and crafts for all ages.</i> - <i>Monthly social meeting in south Worcestershire, including indoor and outdoor games, group music session and a drama group.</i> - <i>Bowling or Ice skating most months.</i> - <i>"Education group" workshops organised regularly. <p>E-safety (Online Safety)</p>	<p>Online Activity (phones, computers) can be a serious risk to children: The use of technology has become a significant component of many safeguarding issues. Child sexual exploitation; radicalisation; sexual predation – technology often provides the platform that facilitates harm. With the right support, education and safety measures in place the internet and new technologies can also bring great benefits but we must all be vigilant</p> <p>PACE (parents against child exploitation) UK is a useful website to engage parents with safety issues. www.paceuk.info/ https://www.thinkuknow.co.uk/parents/ This is the Child Exploitation and Online Protection (CEOP) Centre. <p>Bullying (including cyberbullying)/ Child death/suicide/prevention</p>	<p>Cyberbullying is using the internet, email, online games or any digital technology to threaten, tease, upset or humiliate someone else.</p> <p>If the police consider a message or post to be potentially criminal, they will take appropriate action. This could involve arresting the person responsible or interviewing them under caution. Cases involving sustained abuse or where someone's life is threatened will be treated seriously. The police will consider all of the circumstances when considering the best response to a report of cyber bullying. They will assess how vulnerable the victim is and what resources are required to trace the offender via social networking sites that often operate abroad and to different legislation. In certain cases it may be</p>

	<p>difficult to take action if the offender isn't in the UK. <p>Honour based violence (HBV)</p>	<p>Honour' based violence (HBV) occurs when perpetrators believe a relative or other individual has shamed or damaged a family's or community's 'honour' or reputation (known in some communities as izzat), and that the only way to redeem the damaged 'honour' is to punish and/or kill the individual. 'Honour' based violence is a term that is widely used to describe this sort of abuse however it is often referred to as so called 'honour' based violence because the concept of 'honour' is used by perpetrators to make excuses for their abuse. There is a very strong link between 'honour' based violence, forced marriage and domestic abuse. The term 'Honour Based Violence' is the internationally recognised term describing cultural justifications for violence and abuse. Honour Based Violence cuts across all cultures and communities: Turkish, Kurdish, Afghani, South Asian, African, Middle Eastern, South and Eastern European for example. This is not an exhaustive list. Where a culture is heavily male dominated, HBV may exist. The police have made it a high priority to help communities fight back to tackle both honour based violence and hate crime.</p> <p style="text-align: right;">The 'Honour Network Help line': 0800 5 999 247</p>

As with other forms of criminality or risk of harm, early intervention is always preferable. Schools, working with other local partners, families and communities, can help support pupils who may be vulnerable as part of wider safeguarding responsibilities.</p> <p>Channel guidance: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/425189/Channel_Duty_Guidance_April_2015.pdf</p>

<p>Children Missing in Education (CME)</p>	<p>Children Missing Education (CME) refers to 'any child of compulsory school age who is not registered at any formally approved education activity eg school, alternative provision, elective home education, and has been out of education provision for at least 4 weeks'. CME also includes those children who are missing (family whereabouts unknown), and are usually children who are registered on a school roll / alternative provision. This might be a child who is not at their last known address and either has not taken up an allocated school place as expected, or has 10 or more days of continuous absence from school without explanation, or left school suddenly and the destination is unknown.</p> <p>This is the link for Children Missing Education on the Worcestershire website http://www.worcestershire.gov.uk/info/20595/behaviour_and_attendance/293/children_missing_education</p> <p>Babcock Prime – Educational Welfare Team: Primeedinvservice@babcockinternational.com 01905 678138</p>
<p>Missing Children and Adults Strategy (vulnerable children and adults who go missing)</p>	<p>Every year an estimated 200,000 people go missing in the UK. In some cases, missing adults may have made a choice to leave and 'start their lives over again', but the vast majority of missing people, children and adults, are vulnerable and need protection and support. The strategy has three key objectives which provide the right foundations for any effective local strategy to tackle this issue: Prevention - reducing the number of people who go missing, including through prevention strategies, education work and early intervention in cases where children and adults repeatedly go missing Protection - reducing the harm to those who go missing, including through a tailored, risk-based response and ensuring agencies work together to find and close cases as quickly as possible at a local and national level Provision - providing support and advice to missing persons and families by referring them to agencies promptly and ensuring they understand how and where to access help. The police should be informed if any child or adult goes missing. The Missing Children and Adults strategy can then be referred to for further information and help. It is a home office publication (2011).</p> <p>https://www.gov.uk/government/publications/missing-children-and-adults-strategy</p> <p>https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/117793/missing-persons-strategy.pdf</p>
<p>Children with family members in prison</p>	<p>Approximately 200,000 children have a parent sent to prison each year. These children are at risk of poor outcomes including poverty, stigma, isolation and poor mental health. NICCO (www.nicco.org.uk) provides information to support professionals working with offenders and their children to help mitigate the negative consequences for these children.</p>

<p>Children and the court system</p>	<p>Children are sometimes required to give evidence in courts, either for crimes committed against them or for crimes they have witnessed. There are two guides to support these children which can be found at www.gov.uk (young witness booklet for 5 to 11 year olds) which is a pdf. There is also a document called “going to court and being a witness age 12 to 17” which is also found at www.gov.uk. Making family arrangements via court can be stressful and entrench conflict in families. The ministry of Justice has just launched an online dispute resolution service. This can be useful to parents and carers. Got to www.gov.uk and search for “get help with arrangements.”</p>
