Additional Notes and Details

MONDAY

English Speaking Board (ESB): This can be counted towards the Bronze and Silver Arts Awards and as a skill for Bronze D of E. ESB Clubs will start the week beginning **20th September**. Please drop into Learning Skills at short or long break if you would like to find out more.

Language Club: A chance to explore the culture, language and festivals of different countries around the world through quizzes, games and other activities

TUESDAY

WEDNESDAY

World Scholars Cup Club: Do you love learning random facts, quizzes and fun? Come to World Scholars Cup and learn lots of skills as well as possibly winning medals trophies and alpacas.

English Speaking Board (ESB): - This can be counted towards the Bronze and Silver Arts Awards and as a skill for Bronze D of E. ESB Clubs will start the week beginning **20th September**. Please drop into Learning Skills at short or long break if you would like to find out more.

Maths in Motion: Fancy a career in engineering or designing Formula 1 cars?! In Maths in Motion we create virtual racing cars and then compete in a series of Grands Prix type races throughout the year against schools from around the world.

Junior Greek Club: there will be a sign-up sheet for Junior and Senior Greek club on Miss Trow-Poole's classroom (K7) door from Monday morning.

THURSDAY

Photography Club: In this club you will be able to experiment with the camera on your phone or bring in your own camera from home. There are also two large cameras to use in school. The aim of the club is to share photos and ideas, experiment with cameras and look at different themes such as; lighting, social media, events photography, black and white pictures, photo walks, sunsets and sunrises, architecture, textures, seasons, wildlife, apps and filters. There will be a club display board where you can show off your talent to the school community.

FRIDAY

Young Archaeologists Club: The King's School 'Young Archaeologists Club' is a new club for King's. Starting this term, it is open to anyone with an interest in Archaeology or the broader topic of History. If you would like to look at the Prehistoric animals that roamed the landscape of the Severn Valley, hear about the Roman fortifications below the school or the fighting that occurred on Worcester Castle that once dominated the school garden, this club is for you. A chance to get hands on and learn the techniques of an archaeological excavation. Develop skills in desk-based research and try your hand at the practical skills our ancestors knew. This will include flint knapping, making coil pots, dying cloth, carving stone and much more.

Young Enterprise: Details will be emailed to the L6 by Mrs Rutter.

Senior Greek Club: there will be a sign-up sheet for Junior and Senior Greek club on Miss Trow-Poole's classroom (K7) door from Monday morning.

Other Opportunities

WRAITH: WRAITH stands for Writing Reading and Imaginative Thinking but really it is the Library Book Club. Each half-term the groups (one for each year) will read a selection of titles related by a theme (for example Murder Mysteries, Science Fiction, Graphic novels) or shortlisted for a book award, and then we meet and discuss them with cake!

Step up to Maths: An opportunity for UR mathematicians to work on their problem- solving skills.

***Arts Award:** You will be able to indicate which of the slots you would prefer to attend.
