11th November 2021

Dear Parents,

We are beginning to rehearse our Nativity and are already looking forward to having a live audience this year. The performances will start at 2.00pm and parking will be available on the playground.

Due to COVID, we are having to limit our audience size and allocate performances for each year group. This will hopefully allow everyone a chance to come and watch our Nativity. There will be 2 tickets available per family for your child's performance. The dates are as follows:

Year 1 parents: Monday 6th December

Reception and Year 2 parents: Tuesday 7th December

We would be very grateful if you could fill in the form below with the number of tickets you would like for your child's performance and return to Pre-Prep. We will ask our audience to wear masks and to take a lateral flow test before attending but final arrangements will be communicated nearer the time.

It promises to be a super show!

Kind regards,

B. Cartwright

Miss B. Cartwright
Assistant Head, Pre-Prep
